

Welcome to the Bright Future Pediatrics Family!

We are so happy that you have decided to join our practice! As you can see in our Vision Statement below we are committed to providing outstanding care to the families we serve.

Bright Future Pediatrics is seeing STARS in our future:

***S**uperior, accessible, cost-effective service;*

***T**reat each patient and his or her family with genuine respect, understanding and compassion;*

***A**chieve excellence through exceptional quality and patient-centered care;*

***R**ecognize that every child and family has unique needs in terms of physician's time, medical approach and emotional responsiveness;*

***S**trive to provide an environment which fosters growth and promotes each individual.*

In addition to urgent sick walk-in visits every weekday from 7:30 to 8:30 a.m., we offer same day sick/urgent care appointments. Evening and weekend hours are also available. Please review our office hours, in addition to the many services we offer, detailed in the enclosed brochure.

In this folder you will also find the forms required to establish care for your child(ren) with our practice. This paperwork is also available in "fillable" form on our website, www.BrightFuturePediatrics.com. Please complete the forms and sign where applicable and bring them with you to your child's initial visit (along with your insurance card), or you may fax (302.883.2084) or email (brightfutureped@hotmail.com) the paperwork prior to your child's visit with us.

We will soon begin to hold educational workshops and support groups in our conference room. Please make sure we have your email address so that we can notify you as these opportunities become available. Your email address will also allow us to invite you to join our patient portal which will provide you with access to your child's records along with other features.

If you have any questions, please do not hesitate to contact our office. Again, welcome to the Bright Future family!

Sincerely,

Dina Abdelsalam
Practice Manager
